

**It's Blessing Time**  
**Genesis 30:27-43**

**How do you know when it's Blessing Time?**

- I. Whenever the Lord makes you master of your circumstances, it's blessing time.**
- II. When He makes your circumstances manageable until He gets ready to make you master of your circumstances, it's blessing time.**
- III. When extremely unusual and seemingly ridiculous plans are made to work, it's blessing time.**
